Types of descriptive adjectives

Two types of descriptive adjectives.

The adjectives or word description are words that modify a noun or a pronoun describing, identifying or quantifying words. It usually indicates quality, size, shape, duration, feelings, contents, and more on a noun or a pronoun. For example: (1) My mother is a beautiful lady. (2) The design is very beautiful. (3) The green tree is full of flowers. (4) Today I will eat three burgers. (5) The elephant is very large in size. (6) She wore a red shirt. (7) The flowers perfume well. (8) There are eleven players in the soccer team. (9) A lazy man. (10) I like to sleep on my comfortable bed. Types of adjectives: (1) Descriptive adjective attributive (2) quantitative adjective (3) numerical adjective (4) demonstrative adjective (5) distribution adjective question (7) adjective possessive (1) Descriptive adjective a design is amazing. (3) The car is moving very quickly. (4) Children are hungry. (5) The flowers have a good smell. (6) Rita is a beautiful girl. (7) Sohan is a brave boy. (8) We made a fantastic journey last year. (9) She gave me a blue book. (10) The big fat cat has rolled into the mud. (2) Quantitative drawing describes the number or quantity of noun or pronoun. Some examples all include, no, few, many, some, each, both, every, all, enough, most, nothing and little. For example: (1) I have only a few balloons to decorate the room. (2) There are ten pencils in my box. (3) Ron has many clothes in the Almirah of him. (4) I have some money for new dress. (5) Most people I know are good in nature. (6) Can you lend me some money? (7) Four girls participate in the school function. (8) I have no chocolates in my bag. (9) There is enough juice for my breakfast. (10) That sentence has no sense. (3) numeric adjective A numeric adjective is an adjective is an adjective is an adjective in the school function. adjectives: defining numeric adjectives and distribution numeric adjectives. numerical adjectives: in a sentence when words like each, each, nor, are used to describe then it is known as an adjective distributive numerale. For example: (1) The third man was sitting there. (2) He bought ten pencils from the market. (3) there are few in class. (4) There is no garbage in the basket. (5) I have written many letters to you. (6) Every child is special. (7)They bought some mangoes from the market. (8) Most students are smart. (9) One of the methods is wrong. (10) My hand has five fingers. (4) The demonstrative adjective agents are this, that, these, those. The demonstrative adjective in a sentence will come just before a noun or pronoun and tell you which one is specifically modifying. Examples: (1) These apples are rotten. (6) These apples are new to our area. (7) These shoes are more comfortable. (8) These are your books. (9) He lives in this house. (10) This is a kite. (5) Distributive Adjective An adjective An adjective An adjective and every person or thing separately or to describe a specific member outside a group is called a distributive adjective. They include each, neither, neither of the two, none, one, either etc. Examples: (1) Is Every boy has been donating a book. (2) Either you will go to the market or I will. (3) We should wash our hands after every meal. (4) There are beautiful flowers on both sides of the road. (5) Someone can turn off the fan. (6) Everyone should take care of their parents. correct. (10) They are not admitted to this class. (6) The adjective interrogative modifies the noun or pronoun and also questions. They are used with names to ask questions like what, who, where, why, how and what. Examples: (1) What clothes are you buying today? (2) Whose car will give us? (3) Which dessert would you like? (4) What is your question? (5) When was he married? (6) Which is the largest river in India? (7) Whose books are you borrowing? (8) What a beautiful place is this? (9) What ingredient was chosen to make this dish? (10) What show are you watching? (7) Possessive adjectives are mine, ours, yours, hers, he The red car is mine. (9) The chameleon can change its colour. (10) How old is your sister. Descriptive adjectives always precede a noun and characterize the noun that precedes it. They are also always used after the verb ⠬ to be ". The noun can be preceded by more than one descriptive adjective. If more than two are used The link à ¢ â,¬ Â "¢ is written between the last two adjectives. There are rules in which order more than one one It is written in front of a name, but in some exceptional cases these rules can be omitted. The general ranking is the following: Comparative and superlative adjectives, Example sentences Meaning + size, smallness + eth, old, innovation + color + where it belongs + what is done if we want to qualify a group, we should use a group How many? Answering questions such as Indicate the nature, condition or occurrence of the subject. These verbs are called link verbs. As an example of these verbs, be, get, smell, sound, feel, look, become, stay, girar And, taste, look, they look. The father seems angry. The parfume has a good scent. The soup has a sweet taste. Some of the descriptive adjectives; Big: big, colossal, huge, significant, small massif: small, minute, tiny, wee, petite happy; glad, happy, happy, happy, bliss, joyful sad: gloomy, depressed, blue, unhappy, feelsco, good, superior, Fantastic, excellent, amazing bad: horrible, horrible, horrible, horrible, shameful said: shouted, called, asked, replied, stated, told scary: obsessing, cregnition, eerie, specing, funny unnerving: comic, witty, gleulic, ridiculous, Example sentences of funny descriptive adjectives; There are green, red and pink skirers in my closet.
