Did he say something? What did that Wonderland salary man done!? -- Soljashy: Dear me, I am disappointed...Where might you be headed after all the effort I had put to keeping you away from trouble? Yu: Still ourselves. Ai: Yeah! We're going to kick Chaos's butt, then we'll back back here with Mom and Dad. Maybe even Lisa, Mister and Makenshi will be here too. Yu: But sis, we don't have enough rooms. Ai: We can have Silvia land on the Garden and they are can live there. Cid seems like he'll get along real well with Mom and Dad. So let's promise we both be back here after it's over. Yu: Ok... Ai: Now come on, Lisa's worried. And so is Makenshi, though he doesn't show it. Mister is half-asleep as usual, but forgot about him. Let's go. -- Makenshi: Ai? Ai: Yu and I are going. But they won't catch us. If they think we're gonna let things go their way, they'll get another thing coming! Yu: We're the ones Soljashy wants. And besides...I want to meet Touya again. I want another chance to talk with him, properly this time. -- Makenshi: Remember, you two are not to seek strength for the purpose of fighting. Yu: ...because we're friends. Even if I'm not human...This IS my home and both it and the people here are dear to me. I only hope to return here someday. Ai: It's just as Yu says, even if you're an idiot, you sure least try to understand this. We're the same two we've always been. And it's not like we know why those weirdos keep calling us the "stray children of Chaos"! [The children laughed as a new monster raises from the remains of the Bessorios Kaze & Makenshi destroyed.] Soljashy: Annoying...That last bit of Yu is always the hardest to snuff out. If she does not overcome this, she wouldn't be able to fight Chaos! -- Herba: MaGun-baby, you've been a bad boy for killing Dolk-honey. Even before I had Soljashy had him, that man was giving Chaos such a feast... Lisa: You... You did this to Dolk... Herba: That's right. Get mad, cry it out. I love that feeling of disorder! You know, Dolk-honey was only thinking of saving you. He didn't care what would become of himself - so noble! It almost brings a tear to my eyes... Just kidding!
