Alberta annual information return instructions

Trainers in Alberta have access to a wide range of clinics and training opportunities to help develop their skills as teachers and instructors of players of all ages throughout the province. Please note: Due to technical problems not controlled by Hockey Alberta, there are currently no clinical lists (starting in August 25). Please check regularly as we predict that clinics should be listed and open for registration soon. New in 2021-22: To register for clinics and viewing qualifications, coaches must complete the following three-stage process: Phase 1: Create and HCR 3.0 account, clicking on the link below and following the instructions. Create an HCR account 3.0 to 1286; 1862: Once you have created your new account, you need to connect it so that your previous records are transferred to your new account. Link Account > Phase 3: Register for your clinic (via the "Upcoming Coach Clinics" button below). The required coaching courses are hosted throughout the province, starting in September and ending in November 15. Update Coach Clinics View Coach Qualifications > 2021-22 Coaching Requirements- must be completed by November 15, 2021. The MAIN CLINES will be available for registration once they are insured. If there is no one in your region, please continue to check or contact your Upcoming Regional Center Coach Clinics 1286; Hub? Hub? It is the basic competencies of the Regional Centre while maintaining the theme of the basic and fun practices. Clinical topics include leadership, communication, teaching skills and lesson planning. All this is taught with particular consideration of the youngest athletes in mind. STEP 1: *HU-ONLINE Coach 1/Coach 2 (\$29 +GST) 12-module online course that takes about four hours, and covers the basic coaching. After completing the registration, coaches can enroll in the appropriate personal clinic relevant to their coaching requirements (Coach 1 or Coach 2). When you attend in person, you are supposed to know the knowledge from this online course. STEP 2: In-Person Coach 1 - Intro to Coach (\$136 +GST) four hours of class followed by 1.5 hours on the ice. Hosted from the end of August to November 15th (deadline for buses). The trainers will learn the development of skills, the progress of skills, the delivery of practices and the use of resources in this practical learning and sharing environment. Available COACH 1 CLINICS >This course highlights the basic skills and importance of having players develop confidence, self-esteem and a love for the game. The coaches will be given an introduction to the development of the player, the knowledge of the coach, the tools to communicate effectively with athletes and parents, and how to support the athlete in the team, training, practice and playing environment. STEP 1: *HU-ONLINE Coach 1/Coach 2 (\$29 +GST) 12-module online course that takes about four hours, and covers the basic coaching blocks. Once the registration is completed, coaches can enroll in the appropriate personal clinic relevant to their coaching requirements (Coach 1 or Coach 2). When you attend in person, you are supposed to know the knowledge from this online course. STEP 2: In-Person Coach 2 -Coach Level (\$136 +GST) 4 hours of class followed by 1.5 hours on the ice. Hosted from the end of August to November 15th (deadline for bus). The trainers will learn the development of skills, the progress of skills, the delivery of practices and the use of resources in this practical learning and sharing environment. Available COACH 2 CLINICS >This course will cover basic tools to teach acquisition of control skills. 4 control phases (positioning and angle, stick control, contact trust, body control), safety control, exercise control skills, roles and responsibilities. Emphasis is placed on: basic control and the importance of having players develop trust, respect and awareness of the control process. STEP 1: *HU-ONLINE Coach (\$22 +GST) 6-module online course which about 1.5 hours. Once registration has been completed, coaches can sign up for the personal clinic. When witnessing yourself, it is assumed that coaches know the knowledge from this online course. Step 2: In-Person * Coach Instructional Stream Checking Skills (\$ 116 + GST) 5 hours of class followed by 1.5 hours on the ice. Registration link found in the InsClimat Stream category. Hosted from late August to November 15th, (prescription expiry for coaches). This four-hour online program is an introduction to the safety of the team, to the recognition of damage, to the fair game code and the Code of Ethics, to the safety to the track, to the management of the damage and the emergency action plan. The Safety Pers team will acquire the information and trust necessary to be the go-to-person in your health team, well-being, damage recognition, safe and correct recovery and return to play procedures. P~ This training is valid for three seasons starting from the completion date (expired in September 1). Once expired, you have to resume the online course or ask level 2 status (with adequate qualifications). Online safety registry> Security> Level 2 Those who have completed the online security program and are a minimum of First Aid standards, or professional doctors are eligible. Security - Level 2 grants a maximum of three years at the initial date of expiry from the security course. The new expiry date is relevant to the expiry of additional medical training and can be continuously renewed and renewed up to the maximum of three additional years. Request level 2> Parents and coaches / teams officials are required to complete the program compared to sport. The certification in the program compliance with the sport is valid a for up to four seasons and is associated with a maturity date 1. The respect in Sport Program is a program of online designed to protect our young people, in addition to improving Hockey Alberta226; , the mandate to provide a "trained" status, you must successfully complete the next steps to obtain "certificates". STEP 2: Written assignment Assignments are sent by email after the clinic and must be completed and returned within six weeks of the course date. Return completed assignments to: Assignment topics include Coach Development Plan, EAP, Video Skills Analysis, planning and executing three practices. STEP 3: Making Ethical Decisions (MED) Online Assessment (free) It lasts about 60 minutes, through the Coach Association of Canada "Cabinet". Coaches are given the opportunity to apply the skills learned in the workshop to real-life situations. Once completed the coaches will have demonstrated the ability to handle ethical situations with confidence. STEP 4: Field Evaluation Once steps 1 to 3 have been completed, coaches will receive a letter describing their suitability to complete a Field Evaluation (FE), which consists of assigning an evaluator to the evaluation of a practice. Before the FE, coaches are required to submit practice plans and EAPs to their assessor. Completion of this final stage will move coaches from "Trained" to "Certified". Maintenance of Certification Once certified, coaches have five years to collect 20 PD points (tracking found on the "Locker") to maintain their "Certificate" status. PD courses are available in the Professional Development tab 1 CLINICS >2021 High Performance 1 Application This seminar is held once a year for all in July at the offices of Hockey Alberta in Red Deer. Includes professional rapporteurs in the provision of sessions including special teams, performance planning, offensive/defensive team play, porters, game and bench Ethics in coaching, team building and many others. In addition to the class sessions, coaches will be provided practical learning and development by performing ice sessions and coach on the bench with our AJHL player development field that is managed the same week. The trainers selected to participate in this seminar will be guided by some of the best leaders and mentors in Canada. HPI is a whole week and the coaches will have to be committed and prepared for long days. The seminar includes both individual and group activities, and assignments that will be used to support delegates in becoming fully certified as a high performance coach 1. Trainers are considered as trainees "after participating in the course 100% in order to meet the requirements of being "on-line" trainers must successfully complete the written assignment, field evaluation and the implementation of ethical decisions for online deadlines from fixed deadlines. All Head Coaches Coaching U15, U18 and Junior A teams competing in inter-provincial or national championships or the highest level determined by the branch must be certified at high performance 1. It is recommended that all assistant coaches be at the minimum of development one trained. Please refer to the requirements of the bus for those who would have requested this coaching course within the Alberta elegance coaching coaches who are trying to apply should meet the following criteria: © Some of the buses competitive flow. Currently or will be coaching in one of the five required championships. Certificate of development level one. Field evaluation criteria: male Stream: HC at AA U15 or above or above or be an AC at AAA U15 / AAA or above under appropriate guidance, or HC at Alberta Team Female stream: HC to U18 AAA or above, or be an AC to college level, college or senior AAA, or HC to an Alberta team competition. Competition. Competition.
