EA é s compatible with versions of Android 4, 6, 7 and 8.Pokeland Legends is a mobile phone game based on franchise games. Some of these games: Epic Pet Monster, worldwide and Misty of Monster. The game offers daily missions and allows you to increase the performance of your TEAMA S with gears, titles and badges. You can start with a capacity and find the second skill with research and asking for other players. Another alternative game you can try Á` Pokemon Masters Ex.How at downloadTap the link to download the APK file. Follow the standard procedure to install it on your compatible Android device. Then, accept the requested permissions and start playing when the opens opens The different personalities have different characteristics, such as being shy, modest, cheerful and stubborn. The personalities have creative names like Arceus, I-Oh, Celebi, Regigigas, Azelf, and many others. Every personality has a negative or positive statistical Value.ã, in Pokeland Legends, you can use three ordinary skills, a final move and a passive move. It is possible to unlock rising friendship level to hit through the golden or ability points. Leveling capacity increases their power or effects.ã, each pokemon can have two unique skills. When you start, your Pokemon will have its first ability. Try to find your second ability to search or ask other players. To unlock the second possibility, you need to meet the following requirements: Monster Level 70Fusion Friendship Level of 20Total Attribute Score 600Additionally to the aforementioned qualifications, youÁ`ç ll also need of stars dust (60), stars (30) pieces (30) And skill capsules (15) from the Master Dungeons.ã, game CurrencyPokemon Legends uses diamonds as your coin paid. They earn diamonds through events such as Riot Monster and Challenge Gym. You can also get when you delete adventure maps and complete results. You donate T need to spend real money to succeed in the Pokemon game style.ã, a free Advententhe developers based Pokeland Legends on the Pokemon franchise. They allow you to choose between numerous personalities. Their unique skills and skills will help you win the levels, as you proceed in the game. Use your diamonds wisely to help you create teams.we solids have no information log information for version 6.2.0 by Pokeland Legends. Sometimes publishers take some time to make this information available, so please recontraining in a few days to see if it was updated.Can helps? If you have any information from Changelog you can share with us, we would like to hear from you! Head to our debut pageand let us know. Monster Duels es a Juego de Rol Desarrollado Por Softbean. Pokemon es a franquata masiva de juegos, Pero Nada supersarÁ`fãThe grandeza de las primeras generaciones de la series. We Eres NostÁ`fãIlgicco Por Esos Viejos Tiempos, Necesitas Monster Duels holds the Que, to Está`fã; Demasiado Search for the Comodidad de los Juegos de PokÁ`f Á` © Mon Original. GRÁ`fãfãcos y present us and los grÁ`fãfãcos y the animaciÁ`fãn de monster duel son Muy Buenos. The animaciÁ`fãn para los personajes puede prep device repetitive y extraÁ`f ± to a veces, but completely Á`fãTIL. Los Modelos 3D Para Los Personajes y Los MonstruS Está`Á`n Muy Bien Hechos. There It may be a little messy, but it is understandable since the game has many commands for the players. That said, the design of the interface in SÁ`fã € "" s very well designed and is nice to see. Gameplay and Pokemon The game mode is very similar to the old PokÁ`f © mon. In fact, done, Duels is practically a complete reconstruction of the original game for characters and monsters. Just renewed a bit of art and © Tica. AÁ`f ± is a little more contained as PVP battles with other players. In the game, your goal is to capture various monsters to build your team and fight other players with them. Pulido, but Unoriginal Duel Monster is practically old Poka Á` © mono reused games in a new and modern © Tica. For people looking to relive the nostalgia of old games, it is worth taking a look at Duel monster. However, it could be better simply to review the original rather than settle for a pÁ`lida imitation. Beautifully designed game Simplela Á` ± or graphic animation can be too repetitive. Little original interface can be cluttered another good role play playing monster Legends last APK is 12.0 (1,804,827,363 thousand). As his name, the game is a nice character with the interior monster, which will be interested in playing. In this game, you will be able to have a battle with the final fighting force. The fight will be good to make you the leader of the game and increase the combat capacity. Also interesting the game with the challenging strategy, which needs to be done. Reach unique skill and increase your strategy to win every battle! Information File Monster Legends Last update: 22 Jul 2021 Developer: Social Point Version: 12.0 (1,804,827,363 thousand) Requirements: Android 4.0.3 and up to file size: 111 MB loaded: 22 July, 2021 at 10:50 am GMT + 07 MD5: 75B79F93E64DFBDF1A87D6209E670D62 SHA1: 95910AF566958A3E1904BC0C3A2F8A1442920CB6 Available on Google Play: Install from Google Review Play App Monster legends The game is very famous for Android users. You play over 60 million players around the world! Furthermore, the game is also beautiful with kinds of features. We will see some great game offers below. The first interesting feature is the game inside the breed and collect. The first feature will allow you here to collect more than 400 monsters. Of course, all the monsters will have the great and different feature. The new monster will be added to the game in every week! Then, you are also able to raise monsters in different element to get the new fresh species of monsters. On the other hand, there is also legendary battle monsters. As its name, you will be able to collect that incredible monster in limited events. With special monsters, you could also fight with the special event, which is made of unknown dangers and monsters opponents. In the combat arena, you can also collect treasures and rewards to take you to victory. What makes the game is quite interesting to play is the RPG fighting base game in its strategy. With the strategy of detail, you will be able to level up your monster, so that it will be stronger than day by day. On the other hand, we are also able to set up your monster team with the new strategy by making a good combination of strikers, tanks and others. Then, to increase the combat capacity, there is a battle multiplayers to enjoy! PRO: Excellent mode and 3D animation skill and best graphics complete full characters to deal with best sound and voices against: Very wide internal memory to download use for real money find better articles some suggestions to play being the great fighter, of course You better know about some suggestions within the game. The first tips, which you need to pay more attention is the element affiliation to know about your monster and EnemiesÁ`ç. For example, the Thunder element is stronger than water and is weaker than earth. Otherwise, it's also For you to properly train your team. Build a good team and make a good training about it. Please DonÁ`ç T Click the Fight button until you are sure with your team's ability. Changelog corrections and performance improvements. Breed and train the monsters of all elements and rarities! Build your fighting force and face face Last challenge: the fight against other monster masters! Discover the Universe of Monster Legends and the history of its inhabitants. Start with the construction of a city for your monsters, fill it with habitats, and raise new species! Then, collect monsters and choose your strategy to action-rich fights. Á` ¥ Unique Monsters Await - collect more than 900 monsters: there are new monsters every week! - breed monsters of different elements and rarities to create fresh new species. - Get incredible monsters of all types of events in limited time of the game. Á` Á`Ãõs RPG progression & strategy - improves your monsters for battles to come and rank them to the monster laboratory. - Boost powers your monsters with runes, relics, beasts, and talents to get advantages in battle. - Set your strategy by combining attacks, tanks and control monsters. A real time Multiplayer battles - Challenges Other Masters Monster in real-time live duels. - Battle in multiplayer mode for trophies, prizes, and the possibility of reaching the top leagues. - Fight through the Saga Dungeons era to reveal the history of Legends Monster. This is your paradise monster - Build your mountain farm, farm farms and habitats right away! - Special buildings unlocks like the library and the lab monster.
