All collectible locations Click here to see a complete map in GTA V with all 180 Collectibles (Letter scraps, nuclear waste barrels, spaceship parts, Jump from stunt and foreigners and \$25,000 for each collection package. Get \$ 150,000 for the collection of all 12 hidden packages comply even whenever you change characters or save the game, allowing you to get so much money as desired by placing two characters in the positions of hidden packages and continuing to pass from a step. Steal a fighting jet go to Fort Zancudo with Franklin, and break into the base using a fast machine (it is likely that aircraft is felled). Enter the base gates, use the special skillet capacity to slow down the time as long as possible. This will stop your desired level from increasing four-star all the time that is activated, which gives you a little more time to reach the combat jet and steal it. Try stealing a combat jet take a vehicle for Los Santos International Airport, and drive through the gates to reach the track. So, quickly searches for a jet to steal. Once you're around the track, your desired level will increase. So you have to find and quickly steal the jet. Steal a tank to go to Fort Zancudo with Franklin and breaks into the base using a fast machine (it is likely that planes are felled). Enter the base through the gate that discharges the main motorway on the west side of the map. Immediately before driving through the base gates, use the special skillet capacity to slow down the time as long as it is activated, which gives you some time to reach the tank and steal it. Find a tank on the base, climbing on it, and launches the person from it to steal it. Reduce the desired level. An easy way to lose a level You drive to any mod store and change the color of your car. As long as the police didn't see you enter the building, you will instantly lose the level of sought-after current. Since the first call of the police while driving a truck to disconnect its trailer. This can be used to block narrow lanes or roads during a search. You can hide from the police are going to Los Santos airport and enter the helicopter or jet. Your desired level will increase when you do it, but the policemen will not be able to follow an aircraft. Losing police helicopters will make it escape much more easily. Underground and metropolitan tunnels, underpass, or bridges will help break the line of sight with helicopters. Otherwise, use a rocket pitcher to break down the helicopter before leaking into a vehicle. Robing Stores to steal any open business store, walk far enough in the store so that the door closes behind you. So start walking out of the store, but stopped once your character is half of the door (the door must be open and oscillated, not inside). This will allow you to equip a weapon. Project it to the store store, and you should be able to go back to the store with it designed and stealing the store, you can do a few blocks and return to Rob the store again. No desired level in Fort Zancudo and other places Fort Zancudo is the US army and the Air Force base in GTA V. is located around the center of the map on the west coast. Normally you get a desired 3-star level instant to enter the base. However, there is a way to enter the base and other positions that you should not enter without getting a desired level or meet any resistance. The second side hunting mission called "Fair Game" begins. After killing three Elchi, Cleto will go away, and you won't have a desired level. Now you can steal the combat jet or other vehicles and vehicles and vehicles on the base without any resistance and keep them in your garage. Note: Make sure you don't fail the mission by making a lot of noise and scaring the moose. You can also use this glitch to explore other map areas where you normally have encountered resistance and get a desired level. This trick requires that the "Three's Company" mission has been successfully completed. Reproduction of the "Three" Company "mission. Reach the end of the mission where you need to go back to the starting point (after destroying some helicopters). When you are able to switch to Trevor and fly anywhere on the map, you can go to the military base Or in the Prison of Fort Zancudo, and you will not meet any resistance. You can actually shoot people at the military base or prisoners in prison, and will not do anything. The basic alarm goes out, but nothing else will happen. Note: Not Go too far from the helicopter or the mission will fail. Avoid the desired level at the airport to avoid getting a desired level when accessing the airport, buy a plan hangar. Sliping missions If you fail a mission closer then, An option will eventually seem to jump. Disable car alarms can usually disable an auto alarm for cars. Using special skill of While driving with any character to use Franklin's special capacity (slowing down time) with any character while driving, it's enough to keep the radio wheel open. The weather will be more slow than when you use Franklin's skill, but all driving checks will still function. Get characters to drive if you want to get a character from a place in Los Santos to another place that is Away, while playing as a character, set a new waypoint on the map, then switch to a different character. During playback as a new character will lead to the marked waypoint.
