The request spins in the form of gifts with which you can get up to 100 coins, a champion, free spins from friends, although you need 100 active friends to reach these heights, who are so friendly to you that they will send a gift. Each gift consists of a free game. You're unlikely to have 100 friends unless you're incredibly popular. Not to mention the 100 who actually come to play with them. We recommend going to the official Reddit or Facebook community.Try to find people who want to play with you. Watching video advertisements can get a limited number of free pieces of pieces per day watching video advertisements. Simply go to the slot machine and press the energy button that runs in the lower right corner. If it is not available, you no longer have free tricks, you can get them in this way, but if they are, click on it and you will see advertisements. Ironically, you can get many free parts rounds during the Tour. If you get three symbols of rotation energy in a row, you will get a lot of free towers. Recover their chain and you can spin long for centuries until the end. Improve your village whenever you improve your village, you will get many free parts. However, it is not easy because buying new buildings and renovating requires a lot of gold, and you have to buy each of them, including improvements, to increase your level. It will still be worth a lot of laps. Are you looking for a new game? Discover our free fire buyout codes, my monsters singing a breeding director or even our Pokédex! Participation in events almost always occurs at least one event and can fill you with free towers. Look in the upper right corner of the screen when looking at the slot machine. All the virtual buttons you see in the menu (which are displayed on three lines) are an event. Press one of them and see what each event covers. Take advantage of these events and you can get a lot more Master Coin Spins free than usual. Wait. It is an obvious offer, but which is really worth it to be sought. You get five free laps every hour and you can't have more than 50 laps at a time. This means that every ten hours, you will get the maximum number of laps and all the free pieces of parts that you can win after that will cease to exist. Therefore, we recommend that you define a reminder to visit the room every ten hours, at least spend your laps to gain more and more. You will actually win a lot of additional laps if you devote yourself to your goal, so it's worth it. The FAQ on free towers with pieces will now answer many questions about free towers with parts. Are the references of free pieces in parts valid? Yes, the daily links that we publish at the top of this page expire after three days, so we include only the links announced today and two days ago.Can I get 50 free main spinning coins? The Coin Master 50 Awards mainly appear during the game events, such as rewards for rallies or battles with other players. There is also a small chance of getting this number with daily links, so add this page to bookmarks and usually enter it. Can I get 60 free coins of the main spinnings? Yes, judging by daily connections, it is rare. We recommend playing and participating in events and watching news on social networks to find out what will happen in the near future. Can I get 70 free main spinning coins? We did not see the reward for the appearance of Money Master 70 as part of the daily links, but it is known to appear as part of special events. To win this rare reward, we recommend playing and watching social networks every day to find out when the next big event will take place. Can I win the championship in the form of 100 free coins? Yes, though not from everyday calls. We saw how much free rotation often appears during games, especially those who reward you for rallies and participate in the PVP transfer. Play more and follow social networks to track activities. Can I get 50,000 free main coins? Again, the 50,000 prize for coin masters seems to be part of the daily prize, but as you know, it appears during the events. Follow the social networks and play regularly to have the best options from this prize. And that's almost enough for our management to have free coin Master's rotations.
