DC voltage: the nominal voltage marked with this symbol indicates that this product has included an important literature related to operation and maintenance. Refer to the instructions for use: This symbol indicates the user to consult the user manual for more security information. à ¢ â,¬ â ¢ The cracks and openings in the cabinet and in the back or lower are supplied for necessary ventilation. To ensure reliable operation of this apparatus and protect it from overheating, these slots and openings must never be blocked or blankets. Ã ¢ â,¬ "Do not place this apparatus in a restricted space, such as a library or an integrated wardrobe, unless a correct ventilation is provided. Å ¢ â,¬ "Do not place this apparatus near or a radiator or a r place it near the 'Water (near a bathtub, sink, a kitchen sink or a laundry bathtub, in a wet basement, or near a swimming pool, etc.). If this device accidentally wet, disconnect and immediately contact a retailer Authorized. Ã ¢ â,¬ â â ¢ This appliance uses batteries. In your community, there may be environmental regulations that require you to correctly dispose of these batteries. Please contact local authorities for disposal or recycling of information.  $\hat{A} \notin \hat{A}$ ,  $\hat{A} \notin \hat{D}$  onto overload the wall sockets, extension cables should be positioned so that they are not s Used to go forward or pinched by objects on or against them. Pay particular attention to cables to the end of the grip, in the reference points, and at the point where they leave the appliance. Ã ¢ â, ¬ â ¢ To protect this appliance from a lightning storm, or if left unattended and not used for long periods of time, disconnect it from the wall socket and disconnect the antenna or cable system. This will prevent damage to the set due to lightning and electrical lifts. English - 3Page 3Internet SecuritySamsung takes a number of steps to protect your smart TVs compatible on the Internet against unauthorized incursions and hackings. For example, some sensitive communications between TV and Internet servers are encrypted. Furthermore, the television operating system has adopted controls to prevent the installation of unauthorized applications. However, we take steps to protect your smart TV and personal information, no device connected to the Internet or transmission is completely secure. We therefore encourage you to adopt further steps to safeguard TV, protect your Internet connection and minimize unauthorized access risk. These steps are listed below: Ã ¢ â,¬ â ¢ When Samsung releases software updates to improve TV security, you must promptly install these updates. To automatically receive these updates to improve TV security, you must promptly install these updates. Automatic Update). When an update is available, a popup message is displayed on the TV screen. Accept the download and updating the software by selecting yes when requested. Take steps to protect your wireless and network access point. The access point manual should provide more details on how to implement the following sizes: Ã ¢ â,¬ "Security of wireless access point management settings with a unique password to prevent unauthorized changes to security settings. Ã ¢ â,¬ "Implement standard encryption (eg, WPA2 encryption) on your wireless network with a hard-guess password. Ã ¢ â,¬" confirms that the setting of the access point firewall is enabled (if so-equipped). Ã ¢ â,¬" If the access point or modem has a button in standby mode, use it to disconnect the home network from Internet when it is not in use. Ã ¢ â,¬ â ¢ Use strong passwords for all your Internet accounts (Netflix, Facebook, etc.). If your TV has a camera, perceip the camera in the television mask when it is not in use. The recess of the camera makes it inoperative. Ã ¢ â,¬ â ¢ If any unexpected messages are displayed on the TV screen that requires authorization to connect a device or enable a remote session, do not accept. A ¢ â,¬ â ¢ Do not visit suspicious websites and do not install any suspicious websites and do not install only those authorized apps provided by Samsung via Samsung smart Hub.figures and illustrations in this user manual are provided by Samsung via Samsung smart Hub.figures and illustrations in this user manual are provided by Samsung via Samsung smart Hub.figures and illustrations in this user manual are provided by Samsung smart Hub.figures and illustrations in this user manual are provided by Samsung smart Hub.figures and illustrations in this user manual are provided by Samsung smart Hub.figures and illustrations in this user manual are provided by Samsung smart Hub.figures and illustrations in this user manual are provided by Samsung smart Hub.figures and illustrations in this user manual are provided by Samsung smart Hub.figures and illustrations in this user manual are provided by Samsung smart Hub.figures and illustrations in this user manual are provided by Samsung smart Hub.figures and illustrations in this user manual are provided by Samsung smart Hub.figures and illustrations in this user manual are provided by Samsung smart Hub.figures and illustrations in this user manual are provided by Samsung smart Hub.figures and illustrations in this user manual are provided by Samsung smart Hub.figures and illustrations in this user manual are provided by Samsung smart Hub.figures and illustrations in this user manual are provided by Samsung smart Hub.figures and illustrations in this user manual are provided by Samsung smart Hub.figures and illustrations in this user manual are provided by Samsung smart Hub.figures and illustrations in this user manual are provided by Samsung smart Hub.figures and illustrations in this user manual are provided by Samsung smart Hub.figures and illustrations in this user manual are provided by Samsung smart Hub.figures and illustrations in this user manual are provided by Samsung smart Hub.figures and the smart Hub.figures are provided by Samsung smart Hub.figure specifications of the product can change without notice. English - 5pages 4 Å ¢ â, ¬ ¢ Before connecting the AC power cord of the TV, make sure that the operating voltage of the TV matches the voltage of the TV matches the voltage and amperage information. Ã ¢ â,¬ â ¢ Never insert anything metallic in the open parts of this apparatus. This could cause a danger of electric shock, never touch the inside of this apparatus. A ¢ â,¬ â ¢ Be sure to connect the power cord until it is sitting firmly. When disconnecting the power cord from a wall outlet, always pull the plug of the power cord. Never disconnect by pulling the power cord with wet hands. A ¢ â, ¬ â ¢ If this apparatus does not work normally - in particular, if there are unusual sounds or odors coming from it - disconnect it immediately and contact an authorized dealer or a samsung service center. Ã ¢ â,¬ â ¢ Be sure to pull the power plug from the socket if the TV must remain unused or if you are going to leave the house for a long period of time (especially when children, the elderly or disabled people will be left alone in home). Ã ¢ â,¬ "The accumulated powder can cause an electric shock, a power loss or a fire causing the power cord to generate sparks and heat or causing the deterioration of the insulation. Ã ¢ â,¬ â ¢ Make sure to contact a Authorized Samsung Service Center For information If you intend to install TV in a heavy powder, high or low temperatures, high humidity, chemicals or where you will operate 24 hours a day as in an airport, a train station, etc. Failure Respect can lead to serious damage from electric shock or equipment. (Class L. Equipment only)  $\tilde{A} \ \epsilon \ \hat{a}$ ,  $\neg \ \hat{a} \ \epsilon \ To$  completely deactivate this apparatus, disconnect it from the wall socket. To ensure that you can quickly disconnect this appliance, if necessary, make sure that the wall socket and the power plug are easily accessible. Ã ¢ â,¬ â ¢ Do not drop or hit the product. If the It is damaged, disconnect the power cord and contact a Samsung service center. Ã ¢ â, ¬ â ¢ To clean this apparatus, disconnect the power cord from the wall socket and dry cloth. Do not use chemicals such as wax, benzene, alcohol, thinner, insecticides, air deodorants, lubricants or detergents. These chemicals can damage the appearance of the TV or cancel printing on the product.  $\tilde{A} \notin \hat{a}, \neg \hat{a} \notin Do$  not expose this apparatus to drip or splash.  $\tilde{A} \notin \hat{a}, \neg \hat{a} \notin Do$  not dispose of batteries in a fire.  $\tilde{A} \notin \hat{a}, \neg \hat{a} \notin Do$  not expose this apparatus to drip or splash.  $\tilde{A} \notin \hat{a}, \neg \hat{a} \notin Do$  not expose this apparatus to drip or splash.  $\tilde{A} \notin \hat{a}, \neg \hat{a} \notin Do$  not dispose of batteries in a fire.  $\tilde{A} \notin \hat{a}, \neg \hat{a} \notin Do$  not expose this apparatus to drip or splash.  $\tilde{A} \notin \hat{a}, \neg \hat{a} \notin Do$  not expose this apparatus to drip or splash.  $\tilde{A} \notin \hat{a}, \neg \hat{a} \notin Do$  not expose this apparatus to drip or splash.  $\tilde{A} \notin \hat{a}, \neg \hat{a} \notin Do$  not expose this apparatus to drip or splash.  $\tilde{A} \notin \hat{a}, \neg \hat{a} \notin Do$  not expose this apparatus to drip or splash.  $\tilde{A} \notin \hat{a}, \neg \hat{a} \notin Do$  not expose this apparatus to drip or splash.  $\tilde{A} \notin \hat{a}, \neg \hat{a} \notin Do$  not expose this apparatus to drip or splash.  $\tilde{A} \notin \hat{a}, \neg \hat{a} \notin Do$  not expose this apparatus to drip or splash. equivalent. Ã, Â ¢ Attention - to prevent the spread of fire, mastery candles and other articles with flames free away from this product at all times. Ã, â ¢ Pay attention when touching the TV after it has been for some time. Some parts can be warm to the touch. Ã, â ¢ State of California Proposition 65 WarningWarning: Cancer and reproductive Harm

that are too long can cause damage to the inside of the TV. Ã ¢ â ¢ For wall mounting do not comply with the standard VESA screw specific assembly specific. Ã, â ¢ Do not tighten the screws too firmly. This can damage the product or cause the product to fall, which leads to personal injury. Samsung is not responsible for this type of accidents. Ã, â ¢ Samsung is not responsible for damage to the product or personal injury during a non-vesa or unspecified wall mounting is used or when the consumer cannot follow the product installation instructions. Ã, Â ¢ Do not mount the TV more than a 15-degree inclination. Ã, â ¢ Always two people mount the TV on a Adequate ventilation for your TVWhen installs the TV, keep a distance of at least 4 inches (10 cm) between the TV and other objects (walls, sides of the cabinet, etc.) to ensure proper ventilation can cause it to cause Fire or problem with the product caused by an increase in its internal temperature. Ã ¢ â, ¬ â ¢ When installing TV with a support or wall support, we strongly recommend using the parts supplied only by Samsung Electronics. The use of parts supplied by another manufacturer can cause difficulty with the product that falls. Glese - 8page 701 TV by installing the TV on a whited mount this TV on a wall mounting kit (sold separately). twall mount bracketc  $\tilde{A} \notin \hat{a}$ ,  $\neg \hat{a} \notin S$  amsung electronics is not responsible for any damage to the product or to the Injuries to yourself or others if you choose to install wall mount bracketc  $\tilde{A} \notin \hat{a}$ ,  $\neg \hat{a} \notin S$  amsung Service Center at 1-800-Samsung (1-800-726-7864).  $\tilde{A} \notin \hat{a}$ ,  $\neg \hat{a} \notin S$  and  $\tilde{a} \notin$ install the wall mount on a solid wall perpendicular on the floor. Before sticking the wall support to the surfaces other than the chalk board, contact your nearest dealer for more information. If you install TV on a ceiling or a tilted wall, it could fall and cause serious personal injury. A ¢ â, ¬ â ¢ When installing a wall mounting kit, we advise you to fix all four VESA screws. Ã ¢ â,¬ â ¢ If you want to install a wall mounting kit that sticks to the wall using two upper screws, make sure you use a Samsung wall mounting kit that supports this type of installation. (You may not be able to buy this type of wall kit, depending on the geographical region.) Ã, â,¬ â ¢ Standard size for wall mounting kit that supports this type of installation. shown in the following table, A & â. ¬ â & If you install a third-party wall mount, note that the length of the screws you can use to connect the TV to the wall mount is shown in column C in the table below ty size In inches PECS (A \* B) in millimetrers (mm) Standard Vititch (mm) Quantity 32 100 x 100 19-22 m4 1.25 4ENGLISH - 7page 8Safety Precaution: Fix the TV to the wall to prevent fall falcon: pulling, push, or climb the TV could cause the TV to fall. In particular, make sure your children do not hang or destabilize TV. This action can bring TV overturning, causing serious injury or death. Follow all security precautions provided in the security flyer included with TV. For greater stability and security, you can buy and install the anti-falling device as described below. DEGENDNING: Never place a TV in an unstable location. The TV can fall, causing serious personal injury or death. Many wounds, particularly for children, can be avoided by taking simple precautions such as: Ã ¢ â,¬ â ¢ using cabinets or supports recommended by the television manufacturer.  $\tilde{A} \notin \hat{a}$ ,  $\neg \hat{a} \notin U$  sing only furniture that can safely support the TV.  $\tilde{A} \notin \hat{a}$ ,  $\neg \hat{a} \notin D$  on not place the TV on high furniture  $\tilde{A} \notin \hat{a}$ ,  $\neg \hat{a} \notin D$  on not place the TV on high furniture.  $\tilde{A} \notin \hat{a}$ ,  $\neg \hat{a} \notin D$  on not place the TV on high furniture  $\tilde{A} \notin \hat{a}$ ,  $\neg \hat{a} \notin D$  on  $\tilde{A} \notin D$  on  $\tilde{A}$ the cloth or other materials that can be positioned between the TV and the support of the furniture.
