Best cultivation manhua

Best cultivation manhua reddit. Best chinese cultivation manhua. Best cultivation manhua 2021. Best cultivation manhua with op mc. Best modern cultivation manhua. Best cultivation manhua with 300+ chapters. Best reincarnation cultivation manga. Best rated cultivation manhua.

These are the best crops and martial art Manhua that are highly recommended by other Manhua readers and manga fans. Tales of God Demon, Marial inverse and path of paradisi bookstores are my favorite and I like to read. Tales of God Demon Stories of demons and God Chapter: 342+ Genres: Martial Art, Reincarnation Title Alt: Yaoshenji Tales of Demon God is one of the best cultivation manga there outside. In this Manga MC died and turned back over time when he was in the school of him. TALES OF DEMON GOD MANGA contains every aspect of the martial art world as a new refining pill and do, new martial art creation, hidden treasures and objects. To save her loved once she uses her knowledge of waste and help them become powerful so you can change the future that is going to happen. Martial top martial top Chapter: 1415+ genres: martial art, magic, finishing of the pillar alt titles: the pinnacle of martial arts, Wu Lian Dian Feng martial peak is one of the best manga that contains everything you want in a manga of cultivation. In this Manga MC is the lowest among the disciples, with the level of cultivation of him has no choice than accepting the work of cleaning in the sect while cultivating the formation of him. One day he gets a black book and makes a pact with that book. The book contains the knowledge of martial art waste, the refining of the pills. With the help of that book he learns a lot of things about martial art and the refining of the pill and becomes op. Emperor Matchless Chapter: 210+ Genres: Cultivation, Tradion Title Alt: Gai Shi Di Zun The protagonist Wang Ling that is poor and lives with him's father, is known as good for nothing was betrayed by him Childhood friend of him. He was almost killed by her, but because of him the origin of her survived and had unlocked an outlandish martial art from the blessing in mask. From then on, a genius with incomparable force, he crushes the paradises and the earth and divides the stars with his sword. Return of the Immortal Emperor Return of Immortal Emperor Chapter: 217+ Genres: Martial Art, Return Title Alt: Xian by GUI LAI The Manga begins with the protagonist who accidentally fell into the immortal kingdom from the mortal kingdom. After 3,000 years Yun Qing Yan became the great emperor of the immortal kingdom and reached the culmination of the martial world. After becoming the emperor he sacrifices all his cultivation and revolutionizes the barrier between the two kingdoms and returns to the mortal kingdom where he was born. After the return he discovered that only 3 years have passed until now. To save love once he uses this knowledge of waste to reach the culmination of the world of cultivation again. Library of Paradisi Path Library of Paradisi 80+ Genres: Martial Art, Cultivation, Magic, Another World Title Alt: Tian Dao Tu Shu Guan Library of the Havens Path is one of the favorite manga where protagonist transported from the land to a world of cultivation. In this manga protagonist suddenly transported to a world of cultivation in a martial art body But he did not know anything about cultivation so each one of him the garbage teacher. Suddenly one day he received a fraud called the celestial library. The celestial library contains knowledge of everything. With the help of that power became the best in everything. Spirit sovereign sword Spirit sovereign sword Chapter: 429+ Genres: Cultivation, Reincarnation, Alt Titles: Ling Jian Zun, Spirit Sword Master In this manga the MC was betrayed and killed by his friend and was reincarnated as a young boy. The best part of this manga is that it contains all things like creating formula pills, pill refining, new creation of martial art books, beast teaming etc with the help of its knowledge of the waste has become a powerful grower. Dou po cangqiong Dou po cangqiong Chapter: 341+ Genres: Martial Art, Spirit, Coltivation Title Alt: Battle through the skies This manga is one of my favorites because of this story and comedy. In this manga mc is transported from the earth to a world of cultivation. He used to be a genius, but because of treason he lost his cultivation. Because he was weak, every time he became bullied, but one day a sprit master suddenly appears from the mother's ring. After all his life has changed he learns a lot of skill, martial art, cultivation technique and other that makes him powerful so he can get revenge. Martial god technical star Martial god technical star Chapter: 475+ Genres: Martial Art, OP MC, Coltivation Alt Titles: Astral Sutra, Godly Star Martial Arts, The Book of Celestial Power, Xing Wu Shen Jue In the stellar martial art technique the manga is simply a basic manga of cultivation where mc is op, but all try to bully it. The plot and art of this manga is good. In total this manga is worth reading. The most surprising thing about this manga is when it became the most powerful person then suddenly transported to another world where it teaches martial art to people. Infinite level up in muram Chapter: 23+ Genres: Martial Art, Reincarnation In this manga mc also has a system that helps it to become powerful but not to overwhelm. Which makes it more interesting to read. The protagonist who died in a battle because the betrayal of the elderly of the cult. After death comes to the past when he was about to take the exam and also has a system. The system helps him to form and learn new techniques # Shoot me great lord # Save me great lord Chapter: 130+ Genres: Martial art, System, cultivation Title Alt: Dawang Raoming Save me big ladies is a manga of basic system cultivation. In this manga mc lives in a world of modern cultivation with his little sister. One day the new year is caught in an accident and has a system. With the help of the system, it becomes aAnd he started to live happily with his little sister, he also makes her sister a farmer so that he can take care of himself. Doomed to be King Doomed to be King Chapter: 84+ Genres: Martial Art, System, Building Kingdom Alt Alt Take the mountain, be the great king, Zhan Ce Shantou Dang Dawang in this Manga MC suddenly was transported in a martial art of art with a system. After obtaining the system he got a search to reach the king's mountain and settled there. This system allows him to buy exclusive objects such as agricultural land, rice, home, skills and many other things through magic stones and lotteries. Slowly people started attracting this place. Well, the texture is generic with comedy clichés and the comedy of him improves with the chapters. There are so many well-developed characters as you expect from most of the Manhua. But the MC is a similar character not like any pervert that chasing the girls. Staying the others are GAG characters that also steals the attention of the show. World Invasions Million World Invasions Chapter: 28+ Genres: Martial Art, System, Teleportation, Cultivation This is a newly released martial art manga that is becoming very popular among Manga readers. In this manga there is a world in which everyone is masters of martial art, but due to low spiritual energy they cannot use their powers. MC that is not a farmer suddenly obtained a system, the system gave him the task of fixing spiritual energy to the whole world of cultivation. Renaissance of the Venerable Earth Renaissance of the Immortal Earth Venerable Chapter: 76+ Genres: Martial Art, Reincarnation, Cultivation This is the manga where MC was powerful and created a world with which he lives is sister, but died due to betrayal His family members. He returned in time when he was a high school student. To save the loved one once he formed. He became powerful and made new friends. The cultivation part of this manga is very quick but has a great plot that is worth reading. Marial inverse chapter: 160+ Genres: Martial art, spirit, cultivation in the continent Tianwu, dominate the forts. Feng Hao, the firstborn son of the Clan Feng, had been considered garbage despite him possessed an unparalleled physique, and was repeatedly humiliated! Luckily, the physique of him has changed, allowing him to reverse him. He used an aberrant crystal to forge the meat of him and received the final body. The moment he controls the void, is the moment when he shatters heaven and earth and kills everyone! Wu dong Qian Kun Wu Dong Qian Kun Chapter: 280+ Genres: Cultivation, article, Sprit Title Alt: Martial Universe If you live reading the cultivation Manga then you will love this manga. This manga contains everything like cultivation, weak Mc, pill refining, magic element, sprites etc. In this Manga MC is a weak farmer and father of him was crippled in a family tournament. To take revenge of his fathers, he began training and one day he found a stone, which is a magical object. He helps him Further. After some time, she discovered that there is a teacher who lives in the stone, which helps him learn martial art, the methods of cultivation, the refining of pills and other abilities that helps him become becoming Martial art reigns Martial Art reigns Chapter: 307+ Genres: Martial Art, Spirit, Coltivation Alt Titles: Supreme Master of Martial Arts, Wudao du Zun In this manga mc that once was a genius in martial art. But he was developed by his jealous cousin and cut off his sundials, shrugged his abilities and ruthlessly killed him. He obtained a heavenly object and flesh a sprit that helps him become a powerful cultivator. MC never surrenders and sacrifices everything to get revenge on the family. Murim login Murim Chapter: 80+ Genres: martial art, Murim log game system is not like other martial arts manga this is like a manga where mc has a system and the system has given it missions and after completing the search gets points with points that can level its states and become powerful. Protagonist live in a world where hunters and monsters exist and he is a F rank hunter and gamers. One day he was trapped in the game of the world of cultivation where his identity is a garbage prince. To return to the original world you need to complete the missions given by the system. After completing the game, the system syncs with it and returns to its original world. world.
