It is exported to the United States as a Scion XA and Scion XD, the Middle East as Toyota Xa and Europe and Latin America as Toyota Vitz as a basic model, has been conceived as a high-use multi-use compact car with SUV style and spaciousness car. The car was equipped with a 1.3-litre engine (FWD) or a 1.5-litre engine (FWD) or a 1.5-litre engine (FWD), with a Super ECT transmission. A large front grill consisting of two thick horizontal bars, large fifteen-inch tyres, and the long wheel arches gave the vehicle its unique and dynamic exterior style. The body dimensions A notch over the Vitz, giving more space to the cabin and the trunk. The rear seats divided into 6: 4 could be completely folded to enlarge the bridge if necessary. The robust bodywork structure was made thanks to the advanced Goa process (Global Outstanding Assessment), which increased safety in collisions with heavier vehicles. In Japan it is available at the Toyota Netz Store and Toyopet Store dealerships. The name of the car derives from the suffix «-istâ», the name indicates a passionate person of something (stylist, artist, specialist, etc.).
