Face Grade: B Front / C Back Bond: A-Bond (External) Applications: Lockers, Furniture, Buildings, Dumpsters, Boxes, Boxes, Cartels, Walls, Build-by-yourself and Toys. Your payment information is processed securely. We don't store credit card data and we don't have access to credit card data. (1) REST Our policy has a duration of seven days. If seven days have passed since your purchase, unfortunately we cannot offer you a refund or a change. To be entitled to a return, your object must be unused and under the same conditions as you received it. If an order has been sent by courier and is not received or if an item is received and is damaged or defective, a refund request MUST be submitted to Plyco within seven days of the date of dispatch of the goods. Details of the complaint by e-mail to [info@plyco.com.au](mailto:info@plyco.com.au). Once you have received and checked your return, we will send you an e mail to inform you that we have received your return. We will also inform you about the approval or refusal of reimbursement. If approved, the following options will be available: 1. Replacement: If possible, a replacement will be sent, based on availability. 2. Credit: If no replacement is available, a credit will be offered for the full amount of the purchase price. 3. Reimbursement: If a refund is requested, it will be made according to the original payment method (i.e. if the payment has been made on Visa, the visa will be credited. If the item has been purchased by direct credit, the debited account must be credited). I They are not accepted due to a change in mentality, so please choose carefully. ---- (2) Refunds or refunds If you have not yet received a refund, check your bank account again. Then contact your credit card credit card It may take some time before the refund is officially released. Then contact your bank. There is often a certain processing time before a refund is sent. If you have done all of this and have not yet received your refund, please contact us at [info@plyco.com.au](mailto:info@plyco.com.au). ---- (3) SALE ARTICLES Only regular-priced items can be refunded, unfortunately items on sale cannot be refunded. ---- (4) CHANGES We only replace defective or damaged items. If you need to change it for the same item, please email us at [info@plyco.com.au](mailto:info@plyco.com.au) or call us at (03) 9499 4997. We will then assess the complaint and provide further instructions. If approved, you will be asked to send your article to 14-20 Abbott Street, Reet Fairfield, Victoria AU 3078. ---- (5) SHIPPING To return the product, you should ship the product to: 14-20 Abbott Street, Fairfield Victoria AU 3078 You will pay the shipping cost to return your item. Shipping costs are non-refundable. If you receive a refund, the cost of return shipping will be deducted from the refund. Depending on where you live, the time it takes for your exchanged product to reach you may vary. If you are shipping an item over \$75, you should consider using a traceable shipping service or purchasing transportation insurance. We do not guarantee that we will receive your returned item. Copyright © Travis Perkins 2021. Travis Perkins Trading Company LimitedLodge Way House, Lodgeway, Harlestone Road, Northampton NN5 7UGRegistered in England No: 00 733 503Full VAT: 408 556 737 What is plywood? Plywood panels or "sheets" consist of three or more thin layers of real wood glued together. The layers are known as "plies", hence the name "plywood". Generally, the more often the plywood is, the more layers it has. plywood, processed panels, sheet metal products. It is a versatile material with a wide range of applications, from wall and floor coverings to moulds for Structures, furniture signed for packaging. Which plywood offers sample timber? We offer a number of different compensations, available in different thicknesses, and includes in all plywood plywood suitable for external applications, plywood for solid wood generic use, birch plywood, ideal birch plywood for high-end carpentry applications, Marine plywood which complies with BS1088-2003 and in tender wood structural plywood ideal for wall sheath etc. We also have a range of practical panels. Which qualities specifications do we qualify? The sample plywood complies with EN314 and EN636. The plywood has two materials, wood and glue. EN314; 1993 and EN636; 2003 are standard that work in tandem with the other with EN314; Referring to the quality of bonding and EN636 referring to the duration of the wood species. EN636 defines the specifications of the plywood regarding the type of glue, the duration of the timber and its suitable for structural use. The following number The EN636 code defines the duration of the timber used in the production of EN636 plywood A € à ~ "1 (Class 1 ) Defines the product suitable for internal internal use only EN636 A € à ~ "2 (class 2 ) Defines that the product contains timber that is classified as not resistant and is suitable for use in wet areas or occasional wetting exposure. It can be used in the external application when completely covered or given a completely external decoration. EN636 - 3 (Class 3) Defines that the product is made of resistant wood (in solid wood) and is suitable for all external applications including frequent wetting. Prolonged use in an external application would require tabs to be covered or decorated. The final part of EN636 concerns its suitable for structural use. All the plywood we do a thickness of a thickness 9mm or finished is suitable for use and is defined by the addition of the letter "s". The cards below 9 mm show the letter "G" in their description and are suitable only for general (non structural) (non structural) structural use
