Yes, I go and I can do this with free assistance from the consumer issues department or if I have to pay to do whatever it takes to get that care. We have solved the problem that caused this, but once again, I'm sorry we had a problem that made us not have your recorded recording. I hope you give me the chance to do this right. Please do not hesitate to contact us via support@spooftcard.com if there is anything else we can do for you. Make it look like you're at an airport, club, restaurant and much more.- Severe calls so you can review them later and share them on your google drive, dropbox, etc.- and more! Download today and get gratis badly by signing up! & Nbsp; February 28, 2022 Version 4.8.0 We have another update on the way, thanks to your comments and requests. If I find scammers I know to block and denounce. The following data can be collected and linked to your identity: The following data can be collected, but are not bound to your identity: Diagnostic identifiers of use data Privacy practices may vary, for example, According to the resources you use or your age. & Nbsp; Avoid consuming conversations and transmit your message in seconds.- Add background sounds to your calls. With all fraudulent activity happening today through our personal and business cell phone numbers that have been exposed in several sites, along with all our information, I use this application a little in order to ensure that the People are who they say. Your recordings will also show the exact features you have activated, as a background and direct to voice mail. I am being charged from 3 to 4 credited by 1 minute call. I to scale it to your engineers or developer if they could retrieve the recordings cos my life was basically at stake here and if I don't get that recording, recording, be in big trouble. First of all, we want to deeply apologize that you experienced this problem with your recording. - Save time with the “direct to voicemail” feature. Protect your personal privacy! Save money and time with our numerous calling features. Please email me directly to amanda@spooftcard.com and I will make sure you are fully assisted. For more information, see the developer's Privacy Policy. I'll get in touch with the BBB and consumer affairs that doesn't cost me along the way. It's a shame that I'm having to do such a bad review due to my last 3 purchases. If you answer an unrecognized call, you are preparing for more “spam” calls that can be from anyone anywhere in the world, but also show local. Enjoy an experience that is never bombarded with ads - every time! Features include: – Call internationally without being charged long distance fees using our WiFi calling feature. I have always continued to get excellent customer service until now. I sent a total of 5 emails to you and just said that the staff is out of the office and that you have a large number of questions. They came back claiming that they can't provide the recording because it wasn't available at their end, although my online call logs show the call was recorded, but I couldn't access the recording. I believe we talked to you via email and worked alongside our engineers and carriers to restore this recording. I hope to speak with you soon. We pride ourselves on great support and am horrified at how short we fell.
